

SILCS Course

11-12 May 2017

What is the SILCS course?

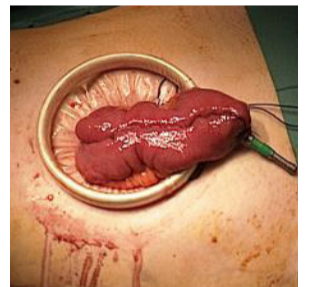

The two day SILCS course is a practical hands on course aimed at providing delegates with the technical skills to perform single incision laparoscopic colorectal surgery.

The University Hospital of North Tees is a leading centre for SIL and advanced laparoscopic colorectal surgery in the UK. We perform most of colorectal resections regularly using this technique.

What does the course involve?

- ✓ Live operating
- ✓ Hands on training
- ✓ Evidence and advantages
- ✓ Tricks and troubleshooting
