Emergency General  
Surgery Symposium

# PREVENTING COMPLICATIONS

## 13TH NOVEMBER 2024

Join us at The Bridgewater Hall, Manchester or online for our annual EGS Symposium.

As we strive to provide the best possible care for our patients, this year's focus will be on Preventing Complications. The symposium will feature sessions dedicated to the training, tools, and techniques that can help us minimize complications, as well as thoughtful discussions on how these complications impact us as healthcare professionals.

## PROGRAMME

### Session 1: Preventing Complications

0900 - 1030

The development of an electronic M&M reporting system and its role in preventing complications in emergency general surgery  
Mr Graeme Couper, Edinburgh

The role of handover in preventing complications in emergency general surgery  
Miss Jessica Ryan, Dublin

Preventing complications by utilising enhanced perioperative care in emergency general surgery  
Dr Marco Ceresoli, Milan

The impact of managing complications in emergency general surgery  
Miss Caris Grimes, London

### Session 2: NELA

1100 - 1230

Introduction
